Day of the Week & Date (mm/dd/yy)	Time Started	Time Finished

Please write a brief description of the service that you performed.

ICS Community Service

Why Do Community Service?

- In order to be world changers, our students must seek opportunities to be like Christ as servant leaders.
- We want our students engaged in the real needs of their community and to a larger extent, the global community.
- We want our students to experience the reality that ultimately Jesus is the answer to the world's needs.
- We want to foster a love for the ministry of the gospel in the lives of ICS students.

What Is Required?

Students in grades 9-12 are asked to serve in the community for a minimum of **10 hours**, per academic year. This requirement is necessary for graduation from the International Community School and will be so noted on the student's transcript.

*Any student wishing to qualify as a Bright Futures' Florida Academic Scholar must perform **75 hours** of community service.*

What Is Community Service?

It **Must** be Voluntary...

- a. Work that engages the student in the actual doing of service. (i. e. time spent in preparation or transportation is not counted toward the requirement).
- b. Work not done for pay.

It **Must** be a Service to the Community...

- a. Work done outside regularly scheduled school and church activities.
- b. Work not done for your family.
- c. Work not done for profit-making organizations.
- d. A project or activity that benefits a person or people in need, and/or...
- e. A project or activity that in some way contributes to or improves the quality of life in the community or environment

It **Might** be a Spiritual Ministry...

- a. An effort to address a particular spiritual need
- b. An effort consistent with the biblical philosophy of ICS.

What If I Need Help Getting Started Or Getting It Done?

You can receive assistance through any part of the service experience from Ms. Baker, She is available during regular school hours as well as after school until 4:00 p.m.

Communication via e-mail cbaker@icsfla.org is welcomed. You can also do find a list of approved organizations with contact information in the Road to College Notebook.

How Do I Record My Community Service?

Each community service effort needs to be documented. This means you need to submit...

- An hour by hour record of the time you spent serving,
- An adult supervisor's evaluation and
- A self evaluation.

Exception Provision: In case of a one-time service effort, you only need a short version of the time sheet; this would include a mission's trip. Please note that a student can only earn up to ____ hours from missions trips and are only allowed to count one mission's trip as community service.

Community Service forms are available in hard copy format in the office.

Is Any Volunteerism Considered Community Service?

Not necessarily, therefore the school reserves the right to approve all service activities. By our definition, not all volunteerism is considered Community Service. It is recommended that you check with Ms. Baker before doing any Community Service.
